COVID-19 Health Policy – Club Participation Agreement

In consideration for participating in our Clubs' activities, all Club Members agree to comply with our COVID-19 Health Policy, including the following, when participating in Team Activities or attending any facilities as a Club Member:

- We agree to follow all local health authority guidelines regarding COVID-19.
- We agree to follow the Clubs' COVID-19 Health Policy and the applicable policies and guidelines of any facility that we may attend for Team Activities.
- We agree to honestly complete symptom screening/attestation and health and wellness checks before attending any Team Activities and confirm our attendance for any such activities using TeamSnap.
- We agree to communicate with Club Staff in an open, honest, and timely manner.
- We agree to staying home and to follow local health authority, and/or our Clubs' isolation guidelines under our COVID-19 Health Policy, if experiencing COVID-19 symptoms.
- We agree to follow proper personal sanitization procedures and protocols and we understand that this may extend beyond personal sanitization and include sanitizing personal equipment, personal baggage when travelling, etc.
- We agree to follow proper social distancing protocols as outlined by local health authorities and facility operators. Generally, this is in line with staying at least 2m away from others.
- We agree to wear a mask as directed/recommended by local health authorities, facility operators, and as outlined in our COVID-19 Health Policy.
- We agree that we will not share any personal equipment.
- We agree to be conscientious of others, to support our fellow Club Members and Staff, and to hold all Club Members and Staff accountable for following all local health authority guidelines, our COVID-19 Health Policy and the policies and guidelines of any applicable facility operator.

We acknowledge that we have: (a) attended our Clubs' COVID-19 Townhall/Webinar or viewed the recording of same; and (b) read our Clubs' COVID-19 Health Policy and discussed it with our child Athletes; and understand that failure to abide by our COVID-19 Health Policy or the terms of this Agreement, may impact our family's Club Status and ability to participate in Team Activities.

We further acknowledge that: (a) COVID-19 remains a considerable health risk; (b) there are risks associated with entering facilities, travelling, and participating in Team Activities; and (c) that the measures taken by the Clubs and our fellow Club Members, including those set out above and under our COVID-19 Health Policy, will not eliminate COVID-19 health risks.
